# about me

## WHAT I DO

### MOBILE ENGINEERING

With a keen eye for animations and user delight, I love designing and developing mobile apps and digital products, both native and cross-platform.

### CLOUD SERVICING

Work with current cloud providers such as AWS or Firebase to kickstart your product. Together we can go from zero to hero in just a few weeks. Let's do this!

### DIGITAL CONSULTING

Have an idea? Want to release a digital product? I can help!

### PHOTOGRAPHY

I love taking pictures with my camera. Check out my [Unsplash profile](#).

## WORK HISTORY

JAN 2018 - CURRENT

### MOBILE SOFTWARE ENGINEER

SELFEMPLOYED / FREELANCER

Working as a freelancer for various companies, creating digital experiences. Let's work together!

JAN 2018 - DEC 2018

### MOBILE SOFTWARE ENGINEER

VODAFONE GERMANY / CRVSH

Together with the people at crvsh we created various prototypes within Vodafone Germany's digital disruption lab which later were used in production.

SEP 2015 - DEC 2017

### ANDROID DEVELOPER

TRIVAGO

With the Android team I worked on the trivago hotel search app which is used by more than 10 million people in over 56 countries worldwide.

NOV 2014 - AUG2015

### ANDROID DEVELOPER

GRANDCENTRIX GMBH

At grandcentrix I for example worked together with the Android team on the smart home app for Miele.

## TESTIMONIALS

DANIEL HENNIGHAUSEN

TRIVAGO

"Frederik continually impressed us in every aspect and demonstrated a great set of competences. Furthermore, he is always up-to-date on all of the latest tech developments and smartly thinks ahead in sharing relevant updates and changes with the team. He usually also has very valuable insights on market developments and trends."

## EDUCATION

2014 - 2017

### ENGINEERING INFORMATICS

FH AACHEN UNIVERSITY OF APPLIED SCIENCES

Besides teaching Android development and organising several hackathons / meetups, I finished my Bachelor's degree.

**JOSS ZIMMERMANN**

VODAFONE GERMANY

"He is a very positive, innovative and enthusiastic guy. Most of the time he's on fire, which brings enormous value to the product, the company and his colleagues."

2012 - 2014

### COMPUTER SCIENCE

RWTH AACHEN UNIVERSITY

Studied computer science in Aachen, joined the local Google Developer Group and started organising professional tech meetups.

**GERO KELLER**

CRVSH

"Frederik is a creative, challenging and engaged colleague who is willing to go the extra mile."

2003 - 2012

### GRADUATED IN COMPUTER SCIENCE AND PHYSICS

ST. URSULA GYMNASIUM DÜSSELDORF

Back then I was already an active member of our school's internet club where we discussed new technologies with fellow students.

**JULIAN MELZIG**

FREELANCER

"Super nice guy with whom you can have a lot of fun in the office and some intense, productive side-by-side working sessions. His coolness and relaxation brings a funny and open atmosphere into the office."
